3 Ways to Speak Clearly - wikiHow

The sentence is, "It is extremely important that your name and number are written clearly on the order form." I think it should read clearly written on the order form. Any suggestions will be appreciated.

Videos - Stated Clearly

Our beekeeping products are designed by a highly experienced team comprised of Australian professional product managers, international designers, pattern makers, tailors and fabric experts to provide a complete range of beekeeping clothing using organic cotton and a premium grade of conventional cotton.
